2019 KVL 10U Tournament Rules

1. Each team should turn in two new baseballs at the start of the tournament.

2. The higher seed will be home team in all games (seeds are listed next to team name on bracket)

3. Games will be 6 innings with a one hour and 45 minute time limit in effect (time will start after the pre-game meeting with the umpires). No new inning can start after an hour and 45 minutes (the inning currently being played will be finished when one hour and 45 minutes have been reached). An inning is considered started as soon as the 3rd out is made in the previous inning. Innings 1-4 will still have a 5 run limit and innings 5-6 will be open innings.

4. Pitching -
   - A pitcher may throw no more than 75 pitches in a day (unless the 75th pitch comes in the middle of an at-bat, he may finish that batter only).
   - If a pitcher throws between 0-30 pitches, he is eligible to pitch the next day.
   - If a pitcher throws between 31-50 pitches, he must have one full day of rest.
   - If a pitcher throws between 51-75 pitches, he must have two full days of rest.

   - The home team is the official book. Please check pitch count after every inning with the other team. Pitchers’ names and numbers should be recorded for both teams on the game log, a coach from both teams need to sign it after the game, and the home team should turn it in.

5. Every player must bat and play at least two full defensive innings. Players who participate in travel baseball are ineligible to pitch.

6. Please review the bat rules - bat barrels cannot be larger than 2 ⅝ inches. Bats with a 2 ¼ inch barrel have no weight restrictions, but can be no longer than 30 inches. Bats greater than 2 ¼ inches up to the maximum 2 ⅝ inches:
   - must be within 3 oz of the length of the bat containing the BBCOR stamp
   - if greater than minus 3 weight drop from the length, it must contain the USA Baseball logo.

7. All rules not mentioned here will follow the 2019 KVL League Rules.
